

About MindArk

Based in Gothenburg Sweden, MindArk is one of the city's largest video game publishers contributing to the thriving development community. As the publisher of Entropia Universe, a game space that encompasses multiple planet partners, each with their own unique setting and gameplay style, MindArk focuses on the development and maintenance of the platform. This allows other companies to create unique content for their planets in the game universe and provides an environment in which a real cash economy can flourish.

About Entropia Universe

Entropia Universe is the largest Real Cash Economy Massively Multiplayer Online Game in the world. Entropia Universe offers players the ability to participate in a unique virtual world where they have no monthly costs. Its innovative real money economy uses a virtual currency which has a fixed exchange rate with the US dollar. This allows players to deposit and withdraw real funds for their adventures on any virtual planet or in the real world. Entropia Universe uses a state of the art graphics engine to deliver the highest quality visuals in an MMO today.
